

Engineered ELEGANCE

Man-made quartz countertops have skyrocketed in popularity over the last decade. Containing quartzite, the hardest parts of granite, quartz is manufactured by several companies in a staggering range of colours and styles. Extremely durable, heat and stain resistant, quartz is a popular choice amongst designers because of its consistency from slab to slab.

Sharing many of the characteristics of granite, the everlasting beauty of quartz will ensure your satisfaction for years to come making this the last countertop you'll ever need to buy.

The Top Shop Inc. carries many of the most popular brand name quartz products available in the marketplace. Come see the largest selection of quartz colours under one roof at our dazzling showroom today, you'll be glad you did!

GRANITE & QUARTZ COUNTERTOPS

Natural PERFECTION

Granite is now the most popular choice when decorating kitchens and bathrooms. Its natural beauty and everlasting durability make it the best choice for a countertop surface. Why is granite the natural choice?

- **Unique** - no two pieces are ever the same
- **Scratch resistant** - among the hardest materials on earth
- **Stain resistant** - low absorption rate
- **Heat resistant** - unlikely to burn or scorch
- **Clean** - more bacteria resistant than laminate, plastic, concrete, tile and wood
- **Investment** - will increase the value of your home
- **Everlasting** - will maintain its natural beauty forever

Achieving EXTRAVAGANCE

The Top Shop Inc. prides itself on offering a hassle-free experience and a superior product. To ensure you absolutely love your new countertop, we are proud to offer:

- **Our 'Quarry'** - the largest selection of granite & quartz in Southern Ontario - no traveling to other cities to pick slabs
- **Exclusive material selection** - the slabs you pick are only for you
- **1 1/4" (3cm) thick slabs** - stronger than 3/4" (2cm) and no seam on the front edge
- **Great selection of edge profiles** - from basic to exquisite providing the look you want
- **Digital templating** - computerized measuring means no mess in your home and a perfect fit
- **Computerized machining** - a crisp, clean edge
- **PRO Team installation** - by trained professionals
